REPUBLIC OF BOTSWANA

REQUEST FOR EXPRESSION OF INTEREST (EOI)

COUNTRY: BOTSWANA

NAME OF PROJECT: BOTSWANA EMERGENCY WATER SECURITY AND EFFICIENCY

CONSULTANCY SERVICES: DETAILED ASSESSMENT AND PRIORITIZATION PLAN FOR LONG TERM WATER SECURITY.

TENDER NO: MLWS/DWS/009/04092019

The Government of Botswana has received a loan from the World Bank towards the implementation of the Botswana Water Security and Efficiency project and intends to use part of the funding to finance a consultancy for the Detailed Assessment and Prioritization Plan for Long Term Water Security

Background

The Department of Water and Sanitation (DWS) under the Ministry of Land Management, Water and Sanitation Services in the Republic of Botswana intends to engage an experienced suitably qualified consultant to carry out a Detailed Assessment and Prioritization Plan for Long Term Water Security countrywide.

According to National Water Master Plan Update of 2018 based on Smart Water Management study, the country will experience a water deficit of 114Mm<sup>3</sup>/annum starting from 2020. It is vital to assess and identify additional water resources and develop a prioritization plan for implementation to meet the national water demand for a period until 2035 and beyond.

The prioritization plan or roadmap must be compatible with the overall national development goals and strategies.

**Selection criteria:** Only firms that meet the below criteria will be short listed

Eligibility:

- The Consultant must submit notarized or certified copies of Certificate of incorporation or Proof of Registration of the consulting firm, Company Directorship and shareholding
